Knoxville Gold Medal Mat Scholars

SPONSORED BY KEN CHERTOW'S GOLD MEDAL TRAINING CAMPS & VISION GENESIS AI

Changing lives, one wrestler at a time.

"Nothing in life has impacted me more than the things wrestling has taught me."

KEN CHERTOW • OLYMPIAN • "WRESTLING CHANGED MY LIFE," EP. 164

Coach-nominated wrestlers from 24 East Tennessee high school programs. Local businesses fund half, Gold Medal Training Camps matches every dollar, and Vision Genesis runs the whole campaign — then drives the vans to Hamilton, Ohio, July 18-23, 2026.

PREPARED FOR COACH KEN CHERTOW • 2026-06-12

FROM RYAN DIX • VISION GENESIS AI • KNOXVILLE, TENNESSEE

A grandmother emailed you.

She's raising her granddaughter. The girl wrestles. And the week was simply out of reach — a combination of cost and logistics. I watched that exchange come through while I was working your funnel, and I kept thinking about the economic reality for a number of families I know on our own team at Halls — a very blue-collar Knoxville community — and the fact that those families will only ever see your price list as a wall.

Gold Medal Mat Scholars is the answer I want to build with you. Area high school coaches nominate their hardest-working wrestlers — work ethic, coachability, the kid who lifts the room. Local Knoxville businesses put up \$475 per wrestler. Gold Medal Training Camps matches every dollar in tuition. Vision Genesis runs the entire campaign — coaches, sponsors, paperwork, press — and drives the vans to Hamilton on July 18.

No applications, no hardship forms, no charity label. A coach's award, a sponsor's name, and a kid on the mat with an Olympian.

THE UNIT — MATCHED DOLLAR-FOR-DOLLAR

\$475 + **\$475** =

a local Knoxville business

matched by Ken Chertow's camp

\$950

one wrestler • full week • room & meals

The family pays nothing. Sponsor money goes straight to your registration — we never hold a dollar.

And I've got skin in it

Vision Genesis sponsors every kid's **transportation and fuel to Hamilton plus the program shirts — up to \$1,500 cash out of my own pocket** — on top of running a campaign that would bill well north of \$10,000 if you hired it out. Your side of the table costs no cash at all. I'm putting real money on these kids; your match makes us partners in it.

Every piece carries both brands, side by side. The street-ready materials are attached: **Exhibit A** for coaches and **Exhibit B** for sponsors — plus the TSSAA's regional wrestling-advisor email directory, to widen the net past the 24 schools.

PR you can't buy, aimed exactly at Ohio.

What this is actually worth

The temptation is to read ten sponsored wrestlers as ~\$4,750 left on the table. The real ledger: at **zero cash cost to you** — rooms aren't your constraint in Hamilton — you've funded an organized, well-publicized, two-market marketing campaign: coordination, materials, press, and a summer of content.

\$10–15K

equivalent campaign value —
coordination, creative, press &
content, hired out

\$0

your cash cost — the match is
tuition credit on seats in the building
you're filling

10+

families, plus a half-dozen school
programs improved — goodwill
nobody can price

This is not one token scholarship. It's an organized, meaningfully impactful program with receipts — and twenty years ago you *had* a Knoxville market. This reopens it.

Press in both markets — handled

We coordinate **Knoxville AND Cincinnati press**: releases written, outlets pitched, the send-off staged. The goal is real, professional local news coverage — not a Facebook post. You just need to be available, and lend a hand on filming logistics at the Ohio end; we handle the Knoxville end.

THE 6 O'CLOCK VERSION — ILLUSTRATIVE

*“...a Seymour junior, **nominated by her coach** for the inaugural Knoxville Gold Medal Mat Scholars award — local businesses covered half her week, and **Olympian Ken Chertow's camp matched the rest...**”*

[VANS ROLLING OUT • THE SEND-OFF • SATURDAY MORNING]

*Coach: “Kids from here don't usually get a week with Olympians. Now ten of them do.” Chertow: **“Wrestling changed my life. This passes it on.”***

The story builds itself.

Knoxville is the pilot city. When it works, the program travels: **greater Louisville is already on the board for next summer**, and “Gold Medal Mat Scholars” is built to move city by city up the I-75 corridor — every chapter feeding Hamilton.

A story engine for your ads

Your video creative is your best performer. This hands your ad team a summer of footage: nominations, the send-off, mat time, the recognition moments. Real kids, a convoy of vans rolling north, your camp at the center of it.

A coach pipeline — and a refreshed list

Every sponsored wrestler puts your camp inside a team group chat that's never heard it, with the head coach as your advocate — 8–14 new coach relationships in one cycle. And every family, ride-along, and sponsor is a **fresh East Tennessee email into your list**: a warm rebuild of an old market.

We do the work. You bring the gold medals.

Vision Genesis runs everything: coach outreach, sponsor calls made in each coach's name, money routed straight to your registration, travel and consent forms, the two-market press push, and presentation-ready recognition pieces for every sponsor.

What we need from you

- 1 A yes, and a seat cap for July 18.** We think 20.
- 2 Your blessing on the split:** \$475 local business · \$475 Gold Medal tuition match · Vision Genesis covers transportation + merch.
- 3 Your blessing to open with Scholarship #1 — the granddaughter from that email.** I'll fund her \$475 personally; you match it. You already pointed her grandmother to Ohio, and she couldn't justify a thousand dollars. I can justify \$475 on a serious kid, because a week like this can change her life — and if it does, she'll find that thousand dollars next year on her own.
- 4 A quote for the announcement, and a short video from your laptop** I can use to bring the Knoxville coaches in.
- 5 Your availability for the press beats** — plus a hand with filming logistics on the Ohio end. The Knoxville end is ours.
- 6 Comp one chaperone coach** if we land under 12 kids. (At 12+, your group rate already sends a coach free.)

— *Wrestling changed your life. Let's hand that to ten — and hopefully more — Knoxville kids this summer, and let East Tennessee and your Ohio market watch you do it.*

All 24 head coaches confirmed against the live TSSAA directory, June 12, 2026. Coach Sayne at Halls opens the District 3 circle — and, with his blessing, the broader contact list for East Tennessee wrestling. † Alcoa is mid-transition (Gossett → Evans, March 2026) — confirm at first contact.

AN IDEA FOR YOUR CONSIDERATION

Turn Halls and Seymour into founding sponsors.

Halls and Seymour field the two largest booster clubs and youth programs in the area — and you sit in the one seat that can move them. If the idea appeals to you, a warm word from you to **Coach Lauderdale at Seymour** (AAU Southeast) and **Coach Sayne at Halls** — inviting their clubs on as **flagship East Tennessee sponsors** — would carry a weight our outreach never could.

Entirely your call — but it could make two of the region's biggest programs partners from day one, and that note from you writes itself.

KNOXVILLE GOLD MEDAL MAT SCHOLARS

Send a Knoxville scholar-athlete to train with an Olympian.

SPONSORED BY KEN CHERTOW'S GOLD MEDAL TRAINING CAMPS & VISION GENESIS AI

Changing lives, one wrestler at a time.

Ken Chertow's Gold Medal Training Camp — July 18–23 at Spooky Nook, Hamilton, Ohio. A full resident week — hotel, every meal, mat time with a staff of champions. Retail \$950; **your nominated wrestlers go for \$0**. Boys' and girls' teams both. For many of these kids it's a once-in-a-lifetime week — and for the serious ones, the catalyst to the next level.

YOUR NOMINEE'S WEEK, PAID IN FULL

\$475 + **\$475** = **\$950**

a local business

one wrestler · full week · room & meals

The family pays nothing. Vision Genesis sponsors the vans from Knoxville and back.

- 1 Nominate up to 2 wrestlers.** Your call entirely — the kid who shows up early, drills hard, lifts the room, and isn't getting to a camp like this any other way.
- 2 Name 3–5 local businesses that back your program.** We make every call, in your name. **You never ask anyone for money.**
- 3 When the sponsorship lands, you tell the kid.** That moment is yours.

ON THE MAT IN OHIO

Olympian Ken Chertow · Ty Morgan, 3× Ohio state champion · Dave Habat, 6× Slovenia world team · Alexia Wagner, 2020 national champion · Alexio Garcia, coach of a 2026 NCAA women's champion · + the Gold Medal staff

No labels, ever.

No applications, no financial forms, no “scholarship kid.” A coach's award for work ethic, full stop.

Teammates ride along free.

Vision Genesis sponsors transportation for the Knoxville program — non-scholarship teammates ride free. They register at regular price; 4+ from one team triggers the camp's group discount.

In the news.

We coordinate Knoxville and Cincinnati press around the send-off — your wrestler, your sponsors, your community, and your program, by name.

Ages follow camp rules.

The teen camp is 13–18; Ken's youth camps run the same Ohio week. Want to nominate a club kid below high-school age? Reach out to Ryan or Ken directly to sort options and parent costs.
